

WHAT IS *Shine*

A community of middle schoolers that meets weekly, with the help of a Small Group Leader, to foster spiritual growth through prayer, fun & fellowship.

A day at Shine might look like something this: an interactive game, large group time discussing the message for the week followed by small group time. *Small groups are formed based on gender and age.*

WHO IS *Shine*

If you are in 6th, 7th or 8th grade Shine is for YOU. It doesn't matter if you go to Catholic School or Non-Catholic School. Friends are always welcome to come to Shine with you.

WHEN IS *Shine*

Shine meets weekly on Sundays from 7-8:30 pm September to May, as well as at events all summer long!

To really build community in small groups we recommend regular attendance, but if for any

reason you can't attend every Sunday, just attend when you are able to.
